

HubSpot for Startups

PARTNER PACKET

Everything you need to know about the HubSpot for Startups Partner Program.

Welcome to the HubSpot for Startups Partner Program!

Whether you are a longtime member of the HubSpot for Startups community or are new around here, we are thrilled to have the privilege to work with you.

Our mission is to help millions of startups grow better. We work with partners like you who are passionate about powering startup growth, and we've built our program with the intention of helping you help your startups. In this Partner Packet, you will find all the details on the HubSpot for Startups Partner Program and how you and your startups can tap into our resources, from content to our startup-friendly software pricing.

About the HubSpot for Startups Partner Program

Not too long ago, HubSpot was a small tech startup and as we've scaled, we've never lost our passion for the startup ecosystem. The HubSpot for Startups' mission is to help millions of startups grow better and we take that very seriously.

We know startups aren't the only ones hustling. Our goal is to help you help your startups succeed. Through our partner program, we collaborate with a global network of accelerators, incubators, VC firms, and entrepreneurial organizations to help startups scale smart. The program includes startup-friendly prices for HubSpot's Growth Suite software as well as many more benefits listed below.

EDUCATIONAL RESOURCES

We create consistent, top-notch content specifically for startups. From on-demand videos to content kits, we have an ever-growing library of resources that will help startups strategize and execute.

PROGRAMMING

We offer our partners and their startups a variety of programming throughout the year, such as on-site classes and virtual workshops, all of which provide tangible tactics startups can use to grow and scale their companies.

STARTUP-FRIENDLY PRICING

HubSpot for Startups teaches startups how to acquire and retain customers, and we offer them the software to do it at a price catered to their budgets.

Scale Faster. Scale Better.

The Startup-Friendly Price

Whether your startups need to increase leads, accelerate sales, or streamline customer service, HubSpot's powerful CRM, marketing, sales, and service software solutions are designed to help companies grow more effectively and efficiently. With HubSpot for Startups, your community gets access to the same powerful suite of tools at a fraction of the cost.

Eligibility

To be eligible for HubSpot for Startups, you must be a current participant or alumni of one of our partners, and meet our funding criteria:

If you are...

- **A startup with under \$2 million in funding** | You are eligible for up to 75% off HubSpot software in your first year, 50% off in your second, and 25% in your third.
- **A startup that has raised over \$2 million in named funding up to and including Series A** | You are eligible for up to 50% off in your first year, and 25% your second.
- **A startup that is a member of an entrepreneurial organization** | You are eligible for up to 30% off in your first year, and 15% in your second.

How Startups Redeem

Startups can redeem their HubSpot for Startups software pricing by applying at hubspot.com/startups, or using your unique partner referral link found on your in-app [Partner Dashboard](#).
